We were hoping to find a caterer who could work with a large-scale breakfast for over 500 people. The Milk Street Café team were the best we've ever worked with! They were detailed, organized, fairly priced, and overall, so friendly to work with. They helped connect us with local wait staff, showed up early to help us set up in our venue space, and thoughtfully prepared a catering menu that met all of our needs. We will absolutely be reconnecting with them for future events, as they are incredible. Highly recommend!
